DEATH FROM NATURAL CAUSES. An inquest over the remains of the unknown man who died at the European hotel Sunday, under peculiar cir-cumstances, was held before Judge Howell and a jury yesterday afternoon. A number of witnesses were examined, but none of them could throw any light on the cause of the man's death nor his identity. The man James T. Hill, who was arrested on suspicion, told the same story of meeting the deceased and of his action, as he told when arrested, which was published at that time. The jury, after hearing the tes-timony, brought in a verdict that he came to his death from natural causes, and young Hill was released from custody, but told to get out of the city.

William Martin, the young man who stole Dr. Fernlund's bicycle a few days ago was given his preliminary hearing before Judge Howell last evening on the charge of grand larceny. The evidence went to show very conclusively that he stole the bicycle. He was bound over to answer to the charge to the district court under \$250 bail, which he could not furnish.

NO CELEBRATION.

Logan was extremely quiet on the Fourth. There being no celebration here, citizens generally swarmed to the mountains, and Logan and Blacksmith Fork rivers were lined from head to mouth with fisherman. Good catches generally are reported, when the great number of Isaak Waltons is considered and the atmospheric conditions in the canyons were highly enjoyable.

TRENTON POSTMASTER. Congressman Howell is looking for some patriotic citizen to act as post master at Trenton, Cache county. The master at Trenton, cache county, position there seems to be going begging, and it is feared that if some resident does not patriotically step forward and accept the burdens of the ward and accept the burdens of the office, the service at that point will be discontinued.

Nervous Cramps in Hands and Feet.

My Salvation. Sleeplessness is at once a symptom and a disease. Just as soon as the nerves become tieranged the patient suffers from sleeplessness. Deprived of their natural rest the nerves soon lose all force and vitality and while sleeplessness is a symptom in such cases it frequently becomes chronic and remains the chief effect of disordered nerves. Dr. Miles' Nervine quiets the nerves and strengthens them; soothes the tired brain and permits sleep; restores lost energy and vitality and brings sleep, health and strength. vitality and brings sleep, health and strength.

"Previous to our coming to the territory three years ago, we lived in Virginia, and it was there that I got acquainted with the wonderful powers of Dr. Miles' Nervine. I had been under the doctor's care and taking his medicine for over two years, but the nervous trouble that was grawing my life away grew steadily worse. I had nervous cramps in my hands and legs, which would draw up and pain me so that I could not sleep at night. Often I never closed my eyes for days and nights together. The doctor finally told me he could do nothing more for me and that I was on the verge of insanity. He told told he he could do nothing more for me and that I was on the verge of insanity. He told me I might try your Nervine as a last resort, and it proved to be my salvation. When I had used four bottles of the remedy together with the Nerve and Liver Pills I had regained my former good health."—MRS. MARTHA J. SHEFFER, Omer, Oklahoma.
